This is to confirm that, M/S ABM Knowledgeware Ltd. have developed and implemented a Budget Speech Tracking web application for office of Hon'ble Deputy Chief Minister's office, Government of Maharashtra. The system requirements gathering, development, testing and deployment were completed in May 2022 and after user training the system was rolled out in June 2022. The system will help this office to closely monitor the Budget allocation provided to various departments/Schemes during the financial year and its actual utilization.

We appreciate the great support extended by M/s ABM Knowledgeware Ltd in this journey and wish them all the best.

Shri Gajanan Patil

(Deputy Secretary in office of Deputy Chief Minister)
